JEWELLERY

No jewellery is to be worn except watches, small pierced ear-rings (one ear-ring per ear) or neck chains of special or religious significance. No other visible piercing permitted.

No nail polish or make-up is permitted.

HAIR

Student hairstyles should complement the school uniform and as such should not be extreme. Hair that is dyed an unnatural colour is not keeping with the school uniform. Hair should be clean and not covering the students face and eyes.

Boys: hair should be neatly groomed, above the collar and not too short (not shorter than a no. 2). No short sided, patterned cuts or rats tails are acceptable.

Girls: hair that is shoulder length or longer, must be fully tied back with scrunchies/headbands in uniform fabric or navy ribbons. If clips are to be worn they need to be simple and unadorned.

NON-COMPLIANCE

If children are not able to wear full school uniform, a note from home is required.
If children are not in correct uniform, a note will be sent home to parents advising them of the non-compliance. This must be rectified before the child returns to school.

LOST PROPERTY

All articles of clothing should be clearly labelled with the student's name to help with the return of clothing from lost property. All lost property items are kept for one term, all unclaimed goods are sent to St. Vincent de Paul.

Lost property is located in the School Office.

SUN HAT

Only the school hat will be accepted as appropriate and safe.

Hats and sunscreen will be required from September 1 through to April 30 during recess, lunch and class or school activities outdoors. This includes school sporting teams (matches and training).

During the high Ultraviolet months (Sept – April) and on high UV days, children will be asked to wear hats at the end of the day as they leave the school.

The school will monitor UV intensity at other times and if it is above recommended levels, children will be asked to wear a hat. Thus, all children will be required to keep a hat in their bag at all times.
